

PILRIG PARK SCHOOL

12<sup>th</sup> January 2015

To whoever it may concern

Pilrig Park School has been fortunate to have been involved with the Engross Theatre Company for a number of years. The partnership is one which we as a school appreciate and value and we are very aware of the benefits to both pupils and staff. Engross Theatre fully support our curriculum in terms of Health and Wellbeing and they consult us on a regular basis to establish what the relevant topics are for them to address.

The delivery of the topics is always done in such a way that pupils not only enjoy and engage with the sessions but they come away with a deeper understanding of HWB due to the fact that Engross ensure that the sessions are interactive and use visual strategies which is essential for our pupils.

Engross Theatre are always very organised and professional and as a school we would be more than happy to be a pilot school for their new project which would be the next step in our partnership and we thoroughly appreciate and value everything that the company do for the school.

Yours sincerely

Fiona Lockie  
Principal Teacher of Health and Wellbeing
